

Welcome to the April edition of North Coast Football's monthly e-newsletter. This is normally the wettest part of the season and there have been several washed out matches already this year. However everyone has been out on the pitch and that's the main thing!

Here's what making news around North Coast Football Zone.

Boambee and Urunga through to finals of Northern NSW State Cup

Congratulations to Urunga and Boambee whose men's teams have progressed to the finals of the Northern NSW State Cup.

Whilst Coffs City United was knocked out by Lismore Workers in a penalty shootout, Urunga and Boambee had dominant wins in round 3 of the competition.

The coaches' reactions are [here](#).

The finals of the State Cup will be played on June 21st & 22nd in Coffs Harbour.

Ground Control

Gary Fisher, the Northern NSW Senior Club Development Officer, presented some information to clubs about the importance of developing appropriate procedures and standards in relation to ground control. This covered the role of club Duty Officer and what should be required in terms of behaviour from coaches, parents, players and spectators.

This information is available on the NCF website under the [Documents](#) section.

Clinics a success

Bishop Druitt College proved to be the perfect venue for the recent North Coast Football school holiday clinics. Two 3-day clinics were held during the April school holidays & both were well attended. Planning is underway for the next clinics to be held in July.

NCF teams show good form
